### Seniors programs

HHCSI requires assistance to help out with two of its seniors programs. Home maintenance workers are needed. We are looking for individuals to share their skills in seasonal housecleaning, plumbing and electrical work, carpentry, snow removal, lawn care, gardening, window washing, painting and general home maintenance.

This is an excellent opportunity to earn extra money while assisting seniors to live independently in our community. For more information, please call Terri, 853-3310 or Heather, 873-6502.

The Friendly Visiting Program is currently in need of volunteers who can share one to two hours per week to provide companionship and social activities for isolated seniors. For more information, please call Marlene, 873-6502 or 853-3310.
