That's a lotto luck!

A Georgetown man is \$103,563 richer today thanks to the numbers he had on his Lotto 6/49 ticket for last Wednesday's draw.

"I was checking my tickets at home and I couldn't believe what I was seeing," said John MacLean, who shared second prize with two other Ontario winners in the draw.

"I said to my wife, 'What happens when you have five numbers and the bonus?'"

Her answer was, "I don't know, but I think it's good."

"After that we went to the store to get the answer we were looking for," said MacLean, a 62-year-old retiree, who bought his quick-pick ticket at Georgetown Lotto in the Georgetown Marketplace.

He and his wife Josephine have three adult sons and three grandchildren.

His plans for the windfall include paying bills, doing some traveling and continuing to enjoy his retirement.

John MacLean was all smiles after picking up his \$103,563 6/49 cheque.
