COMMUNITY MEETING

NOTICE OF A COMMUNITY MEETING A PROPOSED GLEN WILLIAMS HERITAGE CONSERVATION DISTRICT AND GLEN WILLIAMS HERITAGE CONSERVATION DISTRICT PLAN

You are invited to participate in a Community Meeting to examine and discuss a proposal to designate a portion of the Hamlet of Glen Williams as a Heritage Conservation District under the Ontario Heritage Act, and adopt a Glen Williams Heritage Conservation District Plan. The Hamlet of Glen Williams is located north of the Georgetown urban area.

The purpose of the proposed Heritage Conservation District (HCD) and HCD Plan is to provide a basis for protection of the heritage resources of the district. At the meeting, the public will have an opportunity to ask questions regarding various concerns related to the proposed Heritage Conservation District and HCD Plan. Town staff have obtained information and invited people knowledgeable about the various concerns raised.

Copies of the draft Glen Williams Heritage Conservation District Plan, and associated draft by-laws are available for public review and comment in the Town of Halton Hills Planning Department.

If you wish to be notified of the adoption of the proposed Heritage Conservation District designation, you must make a written request to the Planning Department, Town of Halton Hills, 1 Halton Hills Drive, P.O. Box 128, Halton Hills (Georgetown), Ontario, L7G 5G2.

YOUR WATER IS TOP QUALITY

- Quarterly Water Quality Report - January 1st to March 31st, will be available April 30th, 2001 -

Halton Region is committed to providing our residents with high quality drinking water right from the tap.

- ✓ Halton's drinking water has consistently tested safe
- ✓ Halton has performed better than the required Ontario Drinking Water Standards
- ✓ Halton's staff are highly qualified, licensed and are dedicated to delivering safe drinking water

Through the Operation Clean Water Program, the Province of Ontario implements and enforces Drinking Water Standards to protect public health. If you have been looking for specific information about your drinking water, Halton Region's Quarterly Water Quality Report will provide you with the information you need.

The report details information about where your water comes from, what it contains, and how it compares to the Provincial Standards. If your drinking water comes from a private well, you are responsible for your water's safety. Halton's website provides links to the Halton Region Health Department and the Ministry of the Environment regarding the maintenance and safety of your private well supply.

The Water Quality Report can be obtained free of charge by:

- Downloading it from the Internet at Halton's website, www.region.halton.on.ca;
- Picking up a copy in person during normal business hours (Monday to Friday, 8:30 to 4:30) at the Regional Municipality of Halton (Planning & Public Works Department), Records & Information Management Section, 1151 Bronte Road, Oakville; or
