

Bishop Reding Players perform Fame

By MARK LAFRAMBOISE
AND RYAN PYNE
Bishop Reding Royal Report

As Bishop Reding (BR) Catholic Secondary School heads into the last two months of the school year, activities continue to "roar".

Performances of BR Players feature presentation *Fame: The Musical* have begun. Tickets are still available for the final performance Saturday evening (tomorrow) and can be purchased at the door. Admission prices for adults are \$8 and \$6 for students.

In sports news, the junior badminton team had a superb perfor-

mance at the Halton championship tournament held recently at L.B. Pearson High School. The BR "A" team faced Notre Dame in the finals. Despite a tremendous effort, the team lost and finished second in the tournament. Congratulations on a great season.

The BR track and field team recently participated in the Tiger Relays Invitational at York University. Congratulations to Luke Brunner for his fourth-place finish in the open boys' discus, Megan Ames for her fourth-place finish in the junior girls' long jump and fifth-place finish in the junior girls' 100 metres. As well, Michelle Doell finished fifth in the junior girls' 1500m and Mike McGill was

sixth in the midget boys' 1500m.

The girls' softball team had an impressive start to their season with a 5-1 win over Loyola. Spectators saw excellent pitching by Amanda Robichaud and Krystal Olesko. Alex Findlay played solid defence. Clutch hitting from Melissa Sheppard and Lerah Scott solidified the win. Great job, girls.

We would like to extend our congratulations to Maciej Hatta who was chosen by the graduating students as their valedictorian. A reminder to those who have not yet submitted their grad fees, they are now due.

All Grade 11 to OAC students are invited to join BR's first-ever mountain biking club. They have a chance to compete at the Ontario High School Mountain Bike Championships in June. See Mr. Agostini for more details.

The Holy Rosary Knights of Columbus are sponsoring an essay contest for graduating students dealing with The Responsibility of the Catholic Citizen in a Free Society. Three cash prizes to be used towards future educational endeavors will be awarded. With the deadline on May 25, all interested are encouraged to start writing. For more information please see Mr. Edwards.

As we close this edition of the Royal Report, we sign off with the following quote: "Strive, and all is attainable. Falter, and all is lost."

Rural water focus of information meeting

Rural residents are invited to a public information meeting on well water and the rural sludging program to be held in the Cedarvale Park gym, 7:30 p.m. on Thursday, May 10.

The event, sponsored by POWER (Protect Our Water and Environmental Resources) and the Hickory Falls Ratepayers Association (HFRA), is a follow up to the highly successful winter meeting.

Event organizer Daphne Shropshall of the HFRA, says the meeting will serve as reminder to rural residents to get their well tested this spring. Halton Region's hydrogeologist Steve Holysh will

explain to residents about Halton's new aquifer management program which will establish among other things four development zones circling the the municipal well locations—the closer a rural property is to a well, the tighter the land use restrictions.

As well there will be a discussion on the pros and cons of Halton Region's rural sludging program. Panelists will be Peter Morden, Biosolids Recycling coordinator of Halton Region's environmental services and Cary Shinn of the Safe Sewage Coalition.

There is no admission charge to attend this meeting.

"House Bug" gets an update

Kathleen Walsh picks up her NEW Volkswagen Beetle from Conrad Buy of Georgetown Volkswagen. After 2-1/2 years and over 100,000 kilometres, Kathleen decided it was time to revisit the Georgetown dealership. Kathleen has become known around town as the "Lady with the Bug". Watch for Kathleen's new graphics by The Sign Shop as she "beetles" around enjoying her new wheels.
