PUBLIC MEETING

NOTICE OF A PUBLIC MEETING PROPOSED OFFICIAL PLAN AND ZONING BY-LAW AMENDMENTS - RESIDENTIAL CARE FACILITIES

Council for the Town of Halton Hills will conduct a Public Meeting to examine and discuss proposed amendments to the Official Plan and zoning by-laws of the Town with regard to residential care facilities. Residential care facilities are defined as residential facilities in which residents who have a range of emotional, psychiatric, physical, developmental, or social disadvantages or problems live in a 24-hour supervised setting, and receive both room and board

and support with daily living. Residential care facilities include group homes.

The purpose of the proposed Official Plan and zoning by-law amendments is to establish planning policies and regulations that will continue to permit residential care facilities, while ensuring that they are registered and appropriately located and distributed within the Town of Halton Hills. The amendments to the Official Plan and zoning by-laws will apply to the Town of Halton Hills as a whole.

If a person or public body that files an appeal of a decision of the Town of Halton Hills in respect of the proposed official plan and zoning by-law amendments does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed official plan and zoning by-law amendments are adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

Copies of the Final Report of the Halton Hills Residential Care Facilities Study, including the proposed Official Plan and zoning by-law amendments will be available for public review and comment from May 23, 2001 in the Town of Halton Hills Planning Department.

If you wish to be notified of the adoption of the proposed official plan and zoning by-law amendments, you must make a written request to the Planning Department, Town of Halton Hills, 1 Halton Hills Drive, P.O. Box 128, Halton Hills (Georgetown), L7G 5G2.

What You Said

'Are there enough recreational opportunities for residents in Halton Hills?'

**Loretta Cordick,
Georgetown,
mother**

"I would say there is. There are a lot of things for kids— soccer and hockey are big— and they are building more (facilities)."

**Irene Hewitt,
Rockwood,
assembler**

"I have two boys, 17 and 11. Two years ago their starting time (for hockey) was 6 a.m., which is a little early. With a new arena it's coming along but with the growth coming it's going to be tough keeping up."

**Lois Guirin,
Norval,
at home**

"Absolutely not. There's way more population than the current facilities can accommodate."

**Karen Lafferty,
Georgetown,
homemaker**

"I don't think so. For a lot of the opportunities for kids, registration is done by lottery."
