## Town staff want ad removed from bus shelter

Town staff will approach the company responsible for advertising in the GO bus shelters to request removal of one ad located in a shelter at Elizabeth Dr. and Main St. N. in Acton.

Councillor Rick Bonnette who brought the matter forward at the May 22 general committee meeting, said residents are complaining

the ad impairs sightlines at that intersection.

As of April, the town's building department had received building permit fees totaling \$604,000 representing 56 per cent of the total budget projection. There are currently 129 applications in process of which 75 are awaiting further information or other approvals.
