

Cheers to 7 Eleven

While most Georgetown South residents welcome the opening of the new 7 Eleven store at Mountainview and Argyll Roads as a convenience to pick up groceries and other items, local kids like twins like Troy and Megan Breen, 10, think the best part of the store is the sale of Slurpees, so all the kids in the area can get their sugar fix. The convenience store, complete with gas bar, is the first commercial outlet to be built in the most populous area of town.
