Unlocked Oldsmobile stolen

Halton Police are investigating the theft of a 1991 Oldsmobile, valued at \$4,000, from an Eighth Line home Tuesday night. The car was left unlocked, with the keys in it. The owner heard the car start

and looked outside and saw it heading northbound on Eighth Line.

Two Georgetown girls, one 13 and the other 14, were charged with theft under \$5,000 in connection with the theft of about \$12 worth of cosmetics and jewelry from Zellers Wednesday night. Store security saw two girls conceal the items and leave the store.

Ten used appliances and scrap metal valued at \$200 were stolen from a bin at Bulldog Appliances on Sinclair Ave. between Saturday and Monday.

About \$1,000 damage was caused late Saturday or early Sunday to a 1986 GMC Sierra parked at a home on Hillcrest St. in Acton. A door handle and rear wheel well were damaged.

Golf clubs, valued at about \$2,500, were stolen from the club house at Granite Ridge Golf Club on Dublin Line sometime Friday or Saturday.

Police were called to the Gilmer Ct. area Monday evening after two male youths were seen using a high-powered sling shot to shoot at a truck parked on the street.

They also reportedly shot a BB at a seven-year-old boy in the area. Police searched the area unsuccessfully for two 16-year-olds, one with dyed spiked blond hair, and the other with short brown hair.

Tooth Chatter

FEAR OF DENTAL VISITS?

If you're apprehensive about going to your dental professional, you're certainly not alone. It's been estimated that 3 out of 4 people suffer from some form of dental anxiety of fear.

Although we work mainly with dentures, (and you actually have to remove your teeth and hand them to us!), most of our patients don't have the same fear as they did years ago, when they were having work done on their natural teeth, but people still fear certain appointments, such as the dreaded impression. We are developing new, more comfortable techniques every year, to make our procedures more patient friendly. You'd be pleasantly surprised how much easier it is today. If you have any questions regarding your dentures, give us a call. You do not need a referral, simply call our office direct.

*Ask questions. Knowing what and how certain procedures are done will help put your mind at ease.
