## Achilles Mazda recognized for service

Achilles Mazda in Acton was recently honoured with the presentation of the President's Club Award from Mazda Canada, in which the top dealers in Canada are recognized for their outstanding customer service and sales. Only about 10 per cent of the 120 dealers across Canada qualify for the recognition, and Achilles Mazda held the top Customer Satisfaction Index in the Greater Toronto Area. On hand for the presentation were (front, from left) Mazda Canada District Manager Doug Brown, Mazda Canada Regional Manager Tony Harold, Achilles Mazda owner Achilles (Les) Pelitis, his wife Litza, office manager Louise Dalton and sales person Cecil Young. In back, Achilles Mazda parts manager Geoff Heinz, office clerk Debra Alexander, sales manager Achilles Pelitis Jr., and service manager Dave Anderson.

of trucks, there's never been a better value.

### We should know.

Since Isuzu built its first vehicle in 1916, we've been just about everywhere before just about anyone. In fact, Isuzu powered the first Japanese expedition to the North Pole. Today, we're driven in over 100 countries around the world.
