Georgetown Choral Society begins new season

The GCS extends an invitation to everyone to join them for their 'note'worthy season of concerts. Mark your calendars with the following dates.

The Georgetown Choral Society (GCS) will participate in the Remembrance Day, Nov. 11 service, at Holy Cross Church on 7:30 p.m. The GCS actually started its season last month with a memorial service for the victims of the U.S. terrorist attacks.

The festive Christmas season will be heralded with the GCS's performance of Handel's *Messiah* on Dec. 14 at 8 p.m. The list of performers include Anita Ruthig, Christina Stelmacovich, Eugene Burke and Nelson Lohnes with the orchestra accompaniment of The Talisker Players.

Seating is limited for this performance and tickets can be purchased now at The Freckled Lion book store, located in downtown Georgetown and Bergsma's Paint & Wallpaper, in the Georgetown Marketplace or from any choir member. Tickets are also available by calling 905-873-1496.

Also in December the GCS presents a concert, *Hometown Christmas* on Dec. 16, 3 p.m. at the Knox Church in Georgetown. This

concert is specially designed for children and will include the musical presence of the "jolly old man from the North Pole." Proceeds will be designated to a charity to be announced at later date.

To round out the season, there will be a Do It For Yourself *Messiah* in which participants will have an opportunity to sing along to Handel's music. Musical skill is not necessary, only a love of music and a lot of enthusiasm. This will take place at Knox Church, 8 p.m. on Dec. 21. Christopher Dawes will provide the accompaniment on the organ. Tickets will be available soon.

The Choral Society's busy season will continue into 2002 with the unique work of *Missa Gaia* by Paul Halley at Holy Cross Church on April 18 and 19. This concert has something for everybody from gospel to jazz to organ to soloists. It is an earth mass celebrating creation, and as it is in conjunction with Earth Day (the following week), various children's choruses will also be taking part.

The GCS season would not be complete with its Cabaret Evening in early June. This year the songs will celebrate the works of Richard Rogers and his contribution to Broadway musicals.

Tooth Chatter

"GETTING A BEAUTIFUL SMILE!"
 Are you losing your grip? Are your dentures loose, falling down, moving uncontrollably around your mouth? Have you had a "falling out?" Are you missing 1, 2 or more teeth? Not only do missing teeth look less desirable cosmetically, more importantly, spaces can cause your other natural teeth to shift position or become loose in time. Not to mention added difficulty when chewing.
 "Once bitten, twice shy?" Do you have trouble biting and chewing the food you love? While dentures do have limitations, many properly fitting dentures can master even the most difficult foods. Ill-fitting dentures, or dentures that were not made properly can cause problems especially when eating.
 If you are having any problems with your dentures, give our office a call. You do not need a referral. We offer no charge, no obligation consultations.
