#### OVERNIGHT PARKING RESTRICTION

Uniform Traffic Control By-law No. 84-1 prohibits parking:

2:00 A.M. - 7:00 A.M. (Daily) November 15 to April 15

on all streets under the jurisdiction of the Town of Halton Hills, unless authorized signs indicating otherwise are specifically posted. Motorists are reminded that By-law No. 84-1 also prohibits the parking of a vehicle on all Town or Regional Roads for longer than 3 consecutive hours at any single location, unless otherwise specifically posted.

On-street parking hinders snow clearing and other road maintenance operations. Your co-operation is requested. Please comply with the requirements of this By-law.

## OR TOWED AWAY AT THE OWNER'S EXPENSE.

Motorists should note that Town By-Law Enforcement Officers will be on patrol through the duration of the parking restriction period and will ticket and/or have the offending vehicle removed.

#### **SNOW REMOVAL**

The placing or pushing of snow or ice onto roadways or cleared sidewalks will obstruct or encumber vehicular and pedestrian traffic. The Town's Obstruction, Encumbering or Fouling of Highways By-law No. 90-68 prohibits such action.

Improper snow and ice clearing can be a serious hazard to motorists and pedestrians. Your co-operation is requested. Please comply with the requirements of this By-law.

AUTHORITIES MAY HAVE SNOW AND ICE REMOVED AT THE PROPERTY OWNER'S EXPENSE.

## Town properties on the selling block

The town plans to sell a couple of its properties.

Up for sale is a 30-foot wide strip of land between Todd Rd. and Armstrong Ave. that used to be a C.N. (Canadian National) spur line right-of-way. Economy Forms Corporation has expressed interest in buying a

portion of the land.

The town will also sell three building lots on the north side of John St. The land, part of which is now used as an access to a trail between John St. and Wildwood Rd., was also an old C.N. right-of-way acquired by the town. The land, except for a walkway to the trail, will be sold as three lots, fronting onto John St. The town provided water and wastewater servicing to the 17x40 metre lots when John St. was reconstructed in 1998.
