**Data Analysis Co-ordinator**

Working primarily with non-profit organizations in the community that receive funding through the Ontario Early Years Centres Initiative and the Ontario Early Years Challenge Fund, the Data Analysis Co-ordinator will advise and support the development of effective tracking mechanisms and evaluation tools to measure the impact of the early years programs on young children from birth to six and their families.

The Data Analysis Co-ordinator will also develop, collect and analyze early years program data and ensure the latest early years research and evaluation material is readily available to agencies in the community.

This position requires someone with a university degree, including courses on social statistics, experience in data collection, analysis, research and evaluation, together with demonstrated communication and presentation skills. Knowledge of early child development and parenting would be an asset. The successful applicant will be required to travel within the community and have competency in word processing.

Please submit an application with a resume and the names of three references by December 5, 2001 to:

Chris Hartley,  
Manager, Community Development Services  
1151 Bronte Road  
Oakville, ON L6M 3L1  
Fax: 905-825-8821  
Email: hartleyc@region.halton.on.ca

We thank all candidates for their interest,  
However, only those selected for an interview will be contacted.
