Continued from pg. 1

## Bantam Twisters

Brampton only scored once but it was the only goal it would need as it edged the Halton Hills Bantam Twisters 1-0 in the bantam championship.

Katie Wollaston's second goal of the game with 2:43 to play to help the Bantam Twisters edge Brampton 3-2 in their opening game of the tournament. The Twisters trailed 2-1 in the third period but Kira Metselaar scored with six minutes remaining to tie the game. Jan Wollaston had two assists for the Twisters.

Washington needed a goal with 27 seconds remaining to tie the Twisters 1-1. Casey Ferguson scored for the Twisters.

## Bantam House League

Oakville's Veronica Langvee spoiled the Halton Hills R&D Solution's bid for the bantam house league championship. Langvee scored with 41 seconds to play in regulation to force overtime and then scored the winner, giving Oakville a 3-2, with 1:07 left in the extra period. Jamie Velten scored both Halton Hills goals.

Earlier, Jenna Burke scored the game's only goal to lift R&D over Halton Hills Twisters 2.

## CHANGES AND ADJUSTMENTS

It may be necessary from time to time to have changes or adjustments made to your hearing aids or molds.

Your hearing can change slightly; you can gain or lose weight; develop circulation problems; develop an allergy...the list is long.

Hearing Instrument Practitioners will want to see you on a regular basis to ensure you are receiving maximum benefit from your aids. No problem is "too small" to have checked. Your hearing is too precious not to receive the best possible attention.
