Lee and Peter Alas show off one of the many appliances available at their store, Bulldog Appliances, which is located at 55 Sinclair Ave. Unit 2. Formerly a used only appliance store, Bulldog now offers a wide selection of new and used items. Photo by Ted Brown

Wide variety of appliances available at Bulldog

The fact that the majority of Bulldog Appliances' new business comes from customer referrals speaks volumes about the quality and service owners Peter and Lee Alas of Georgetown provide.

Bulldog Appliances, which opened approximately five years ago, used to carry only used appliances, but that changed last May when the store reopened in a new, bigger location at 55 Sinclair Ave., Unit 2. Now they carry a wide selection of both new and used appliances.

Peter said they initially started with the GE line of products but have since expanded to include Inglis, Kitchenaid, Roper, Whirlpool and Danby.

They carry a wide variety of new appliances including stoves, refrigerators, washers, dryers, freezers, microwaves, dishwashers, wine coolers, keg coolers and bar refrigerators. Bulldog also offers water softeners, reverse osmosis systems, U.V. light systems, and water coolers.

Lee said the new appliances have been selling very well.

"We try to keep our prices to the point where they're always competitive," said Lee.

They also carry a wide range of used appliances from washers and dryers to refrigerators and stoves, that have all been refurbished and thoroughly cleaned.

The used appliances come with a 90-day guarantee on parts and labour, and new appliances come with the manufacturer's warranty.

"Once the manufacturer's warranty is gone they still have someone they know to service it," said Lee.

Along with the appliances they also sell parts for all makes and models, and Peter, who is a graduate of an appliance technician course and has his refrigerant license, does in-home service.

"We care about our customers and our business and we want to do the best job we can," said Lee. "I would like to thank our customers for all the referrals."

Bulldog Appliances is open Monday to Wednesday from 10 a.m. to 6 p.m., Thursday and Friday 10 a.m. to 8 p.m. and Saturday from 10 a.m. to 5 p.m.
