

Hungry hare

Limehouse Public School played host to a fund-raising Easter pancake breakfast Saturday and on hand to entertain the children (and get a few pancakes) was the Easter Bunny. Gwen Faber served up a forkful for the hungry hare while her son Richard, 5, and daughter Lindsay, 2, looked on.

Budget meeting set for April 10

The first of what may be many tough school board budget meetings is tentatively scheduled for Wednesday, April 10 at 7 p.m. at the board office beside M.M. Robinson H.S. It is open to the public.

While school boards await word on funding formula amounts for the 2002-03 school year, the Halton public board has been saying for months that it expects a \$2-million deficit for the current fiscal year and likely faces similar pressures next year that will require prompt attention.

Spring! It may not look like spring outside but it has definitely arrived at Canoe Country. We have boxes everywhere of new product. Just arrived. New VASQUE boots. I bought a pair called the Cyclone. I love them. Great fit and very light weight with a Vibram outsole. TEVAs. Have a look at their new river shoes and sandals with Spider Rubber Soles and there are some nice looking leathers. The Sierra Designs summer gear looks good. Training T's and the Airflow Jacket for women have come in nice sky blue. Eddy shorts for men are very cool. And for those of you who have been waiting patiently, Tub Chargers are back in stock. Ocean Seaweed, Orange Geranium, Sweet Lemongrass
