Looking for a comfortable way to carry a mortgage? The Great Rate Mortgage from TD Canada Trust delivers a rate guaranteed to be 3/4% below TD Prime for the full five-year term*. And that can add up to thousands of dollars in savings!

With set monthly payments throughout your term, you know exactly what your mortgage costs will be. If interest rates drop, more of your set monthly payment is applied to the principal†. And that way you pay off your mortgage faster.

The Great Rate Mortgage gives you the added flexibility to convert to a fixed rate mortgage whenever you like‡. And if you convert within the first 12 months of your term, you'll get 1% off the posted 5-year fixed rate in effect at that time††.

Why put living on hold? Make the move to mortgage savings today!

At a certain point you will have options to choose from regarding payment arrangements. Ask for details. ‡The term must be longer than the number of years remaining on the Great Rate Mortgage. ††Must convert to a 5-year term EquityBuilder Mortgage or a regular non-discounted 5-year term high ratio mortgage. ‡Assumes interest rate does not vary over the term.
