A mortgage that leaves room for living.

With a rate this low, we could've hired professional movers.

Are we there yet?

With savings like these, we could pay off our mortgage faster.

The Great Rate Mortgage: 3/4% below Prime for the full 5-year term.

THE GREAT RATE MORTGAGE

3.25%*

Looking for a comfortable way to carry a mortgage? The Great Rate Mortgage from TD Canada Trust delivers a rate guaranteed to be 3/4% below TD Prime for the full five-year term*. And that can add up to thousands of dollars in savings!

With set monthly payments throughout your term, you know exactly what your mortgage costs will be. If interest rates drop, more of your set monthly payment is applied to the principal†. And that way you pay off your mortgage faster.

The Great Rate Mortgage gives you the added flexibility to convert to a fixed rate mortgage whenever you like‡. And if you convert within the first 12 months of your term, you'll get 1% off the posted 5-year fixed rate in effect at that time††.

Why put living on hold? Make the move to mortgage savings today!

TD Canada Trust
Banking can be this comfortable

*Some conditions apply. Applies to residential properties only and is subject to meeting TD Canada Trust lending criteria. Offer may be changed, withdrawn or extended at any time, without notice. Not available in combination with any other rate discounts, offers or promotions. Mortgage must be approved by June 14 and funded by Aug. 31, 2002. Rate fluctuates with TD Prime and may differ temporarily from TD Prime until adjusted monthly to reflect the latest change in TD Prime. †If rates rise, more of your monthly payment will go toward interest. At a certain point you will have options to choose from regarding payment arrangements. Ask for details. ‡The term must be longer than the number of years remaining on the Great Rate Mortgage. ††Must convert to a 5-year term EquityBuilder Mortgage or a regular non-discounted 5-year term high ratio mortgage. ‡Assumes interest rate does not vary over the term.

Cool or Clueless?

Is there really any question?

There's no doubt about it: smoking pollutes your body and takes years off your life. Cigarettes are very addictive, very expensive and very unpleasant for those around you. If you do smoke and have thought about quitting, prove to yourself you can do it. It takes a lot of hard work and dedication, but you can live smoke-free if you try.
