**Secure your piece of history.**

All good things must come to an end. Unfortunately, this includes Volkswagen's classic Cabrio. We have ~~seven~~ five final production 2002 Cabrios remaining. Including two silver Cabrio GLX top of the line models created specifically for the Cabrio's final year.

A fully lined convertible top and glass rear window with electric defroster make the Cabrio a practical all-season convertible. The leather interior, alloy wheels and power operated top simply make the Cabrio fun to drive. Don't be disappointed, because when they're gone, they're gone.
