

Georgetown seniors win at regional games

Summer is approaching and with it the windup of many of our regular programs at the Georgetown Seniors Centre. Attendance at the centre seems to be dropping as many of our members head out to warm weather activities. The centre does not close during the summer but is open for drop-in activities— cards, crafts, snooker, etc.

There is only one more luncheon, hosted by June Gilson's group on Tuesday, June 18 at 12:30 p.m. In order to give the ladies an idea of numbers attending, please sign the list at the front desk.

Also on June 18, there will be bridge at 6:45 p.m. and euchre at 7 p.m. All are invited.

The next members-only bingo is to be held on Monday, June 17 at 1:30 p.m.

Georgetown Seniors have been doing well in the Regional Senior Games. In 9-ball, Don Herrington took first place, followed by Jim Akers, second and Jim Taylor tied for third. In the snooker tournament, Jim Akers came first. Well done guys— we're proud of you.

Please note: The Diners Club meeting on Wednesday, June 19 has changed its venue to Causal Dining in Rockwood. Dinner is at 6 p.m. as usual.

A reminder to all photographers: The Camera Club meets on Monday, June 10 at 10 a.m. Bring some of your work to share with other members.

Shuffleboard and carpet bowling seem to be holding their own with good turnouts, but new members are welcome. It's good exercise and great fun.

Trips to Casino Rama are on the last Monday of each month. Cost is only \$5 and includes bus fare, lunch ticket and driver tip. Sign up with Grant at the Travel Desk, if you would like to go.

Until next time, cheerio.

Gerrie Electric gives boost to GDHS

The electrical program at Georgetown District High School will be updated after receiving a \$1,227.38 boost from Gerrie Electric Ltd., the proceeds raised by the company at a May 10 open house. On hand for the presentation were (from left) GDHS principal Keith Rupka, GDHS technical department head Mike Sherlock, Gerrie Electric branch manager Dave Hopson and GDHS electrical teacher Victoria Allison, as well as students in the Ontario Youth Apprenticeship Program (OYAP).
