

Shed destroyed

A fast-spreading fire destroyed a large drive shed at an Eighth Line Halton Hills farm last Friday, causing \$30,000 in damage.

The Halton Hills Fire Department was called after a passerby noticed a fire in the drive shed. The building, which contained a bailer and a small bulldozer, was fully engulfed in flames when firefighters arrived. Firefighters brought the fire under control and were able to protect an adjacent wooden shed.

A crew from the Town of Halton Hills' works department assisted, using a gradeall to move large sections of walls that threatened to collapse.

The cause of the fire has not been determined.
