Hall Road Extension
Open House & Public Meeting
Options For Crossing of the Silver Creek East-West Tributary**

The Town of Halton Hills and Georgetown Estates Corporation have started a Class Environmental Assessment (EA) to find the best solution for extending Hall Road across the East-West Tributary to provide access to the proposed Georgetown Estates Phase 3 Subdivision. The crossing is located on a tributary of Silver Creek and within an identified Environmentally Sensitive Area. As part of the project, rehabilitation works are to be undertaken to restore a degraded section of the East-West Tributary.

The project is planned under Schedule B of the Municipal Class Environmental Assessment.

Open House and Public Meeting

Join us for an open house and public meeting where staff and consultants will be available to answer questions about the project and will present alternatives under consideration.

When: Wednesday, October 23, 2002
Where: Council Chambers
1 Halton Hills Drive
Halton Hills (Georgetown)

Open House: 6:30 to 9:00 p.m.
Presentation: 7:00 p.m.
