What is the Official Plan?

Every municipality in Ontario is required to develop an Official Plan which outlines a community's vision for its future and guides decisions on development, transportation, environmental protection, and more.

Halton Region's Official Plan is now under review. This is an opportunity for residents and businesses to play an important part in ensuring Halton Region continues to be a great place to live, work and play.

What is important to you about Halton Region? How should we address the challenges our Region is facing?

Your participation is vital. Please drop in to one of our open houses or visit our website to learn more about the Official Plan Review.
