Volunteers needed to help fund-raise for youth centres

Come join the fun at Off The Wall, Acton's youth centre as Junior Youth (ages 9-11) head off to the gym to play basketball, dodgeball and volleyball on tonight (Wednesday, Oct. 9). The cost of this outing is \$2.

For Senior Youth (ages 12-19) come for Movie Madness, 6:30-midnight on Oct. 11. There will be plenty of pop, hot dogs and popcorn available for purchase.

Halton Hills Community Support and Information (HHCSI) is asking anyone who

has an interest in helping sustain the youth programs to volunteer a few hours of their time to help out with three or four planned youth fund-raising events throughout the year. Each event would have approximately two meetings prior to the event to organize responsibilities. Specific times and days will be divided up so you will know exactly when you are needed and for what... no endless meetings.

Please call the HHCSI office at 905-873-6502.

Town of Halton Hills (GEORGETOWN) Watermain Cleaning Program 2002

As part of Halton's ongoing watermain maintenance program, Regional staff and our contractor will be cleaning the watermains in the Town of Milton. This work commenced on:

October 6, 2002

This work will continue for approximately three more weeks.

Our 2002 Watermain Cleaning Program will cover the areas bounded by Maple Avenue, Guelph Street, and Hall Road, to include Norval, and Georgetown South. And also the industrial area north of Guelph Street between Mountainview Road and Delrex Boulevard.

There may be some inconveniences to you during our operation, either when we are physically on your street, or even in your general area. Discoloured water is discharged during cleaning and to avoid having it enter your home/place of business please follow the steps noted below:

- Do not use water between the times indicated on your **BLUE LETTER**, which we will provide to you approximately 2 days prior to working on your street.
- When we are finished for the day on your street (times indicated in the **BLUE LETTER**) please turn on the cold water tap in your basement and let it run until the water is clear.

To keep informed of our progress, look for advertisements in this newspaper and look for our **BLUE LETTER** in your mailbox for the dates we'll be working on your street.

Questions?

Please call the Planning & Public Works Department at ext. 7704, 7705, or 7706 and Regional staff will be available to answer your questions and assist you.
