### Rotary seeks exchange students

The Georgetown Rotary Club is looking for young people (aged 15-18) interested in becoming Rotary Youth Exchange student. Rotary exchange students spend a year living with a host family in a country other than their own. They may learn a new language, and they will learn a new way of living and great deal about themselves.

The youths will serve as young ambassadors for Canada and help to bring the world closer together. Through the local youths the people they meet will learn more about Canada, its culture and the youths' ideas.

The deadline for applications is Monday, Oct. 21. Anyone interested should check out the program at [www.rotary.org/program/youth\\_ex/](http://www.rotary.org/program/youth_ex/) and then call Alistair Macewan at 905-877-0462.

### Volunteers needed this weekend to put Willow Park 'to bed'

Willow Park Ecology Centre needs to be tucked in before winter arrives.

"We're going to make it nice and tidy for its winter's rest," said WPEC co-ordinator Ruth Kuchinad, inviting volunteers to cleanup days on Saturday and Sunday, Oct. 19 and 20, 10 a.m. to 4 p.m. each day.

This is an opportunity for families and friends to have fun in the fresh air meet like-minded folks and share refreshments. High school students are also welcome to gain valuable hours towards their Graduation Volunteer Requirements.

Community volunteers are needed to assist Willow Park Ecology Centre to install a rock pathway. This narrow walkway will be a buffer for vegetation and will protect the gardens that surround the pavilion.

Other jobs to be completed are: revitalize the chip pathway, to remove invasive species and to clean up in the butterfly garden.

Give an hour or two; bring your boots, rakes, shovels, clippers and gloves.

Willow Park is located off Mary St. in Norval. More information is available from Kuchinad, 905-877-3676 or [ruth@willowparkecology.com](mailto:ruth@willowparkecology.com)
