Advertorial

Avoid the selling mistakes that could cost you thousands of dollars. Bill McKeown, Associate Broker, at Remax Blue Springs Realty (Halton) Corp. has prepared "Selling Your Home For All It's Worth".

Inside you'll learn how to sell your home for more money by becoming knowledgeable about how to best prepare your home for sale, what fix-ups to make (and not to make) and what buyers typically look for.

You'll discover what questions you should ask a realtor, what you're supposed to do when an offer comes in and what takes place after the offer has been accepted.

This comprehensive Homeseller's Handbook also contains many other tips, techniques and charts which will help you to sell your property for the most money possible!

As a bonus we've included a complete Moving Checklist . . . with lists of everything you need to do before and after you list and sell your home.

To obtain your free copy with no obligation call 877-5211 and ask for "the book".
