

## United in worship

Heather Fraser (right) leads the congregation in the call to worship at the recent "I Believe Faith Matters" United church event held at Nashville North. Approximately 600 people attended a morning worship at the Norval nightclub. The event brought together members from area United churches including Hillcrest United Church, Norval United Church, St. Andrew's United Church and St. John's United Church.

## Everyone loves a parade

It wasn't exactly great weather, but children, parents and instructors at the Maple Avenue Child Care Centre went on parade to celebrate Week of the Child last Friday. The children created signs for their parade along Maple Avenue and Mount-ainview Road.

## Council considers new user policy

Continued from pg.1

Among the new rules:

- \* Registered minor organizations and town-operated children and youth programs will be given 85 per cent of the available prime time.
- \* Public skating and public swimming will be allocated with a minimum 5 per cent prime time.
- \* Registered adult organizations will be allocated a maximum of 10 per cent of prime time for games only.
- \* For every 10 hours of prime time allocation, an organization must take one hour of non prime time.
- \* All registered minor organizations are permitted one tournament/event per division per year. Adult organizations are permitted one tournament per year if time permits, with priority given to previous users.

The policy will be posted on the town's Web site and distributed to all regular user groups well in advance of the 2003 season.
