

## Bridge and computers classes now on at the Acton Seniors Centre

Have you got some money to burn? If yes, come to the Weekender Clothing Sale on Monday, Nov. 4 at the Acton Seniors Recreation Centre at 1 p.m.

If you have no money spend, but you have energy to expend, then come to the centre on Monday, Nov. 18 at 1 p.m. and help us decorate the centre's Christmas tree. There will be light refreshments provided by M&M Meats.

Speaking of energy, how about sign-

ing up for the line dancing at the centre? No one will criticize you for tripping up too often.

Something for the mind? Try bridge on Monday afternoons at 1:30 p.m. You're a novice? Don't worry, Gord Chapman will be there to help.

Remember the centre has new computers. Come out and try one. There are classes on Tuesdays; sign up at the centre.

Mark Saturday, Nov. 23 on your calen-

dars for our annual Christmas Tea and Bazaar, 11 a.m. to 2 p.m.

The next Casino Rama trip is on Nov. 27. Phone Ruth Burke, 519-853-5124 for seating on the bus.

There is to be a Fish and Chips Night on Thursday, Nov. 28 at 6 p.m. The Kitchen Band from Milton will be present to entertain.

## Halton Region

A Partnership That Works!

### WE'D LIKE TO MAKE THIS PERFECTLY CLEAR

#### Town of Halton Hills (GEORGETOWN) Watermain Cleaning Program 2002

As part of Halton's ongoing watermain maintenance program, Regional staff and our contractor will be cleaning the watermains in Georgetown.

This work will continue for approximately one more week.

Our 2002 Watermain Cleaning Program will cover the areas bounded by Maple Avenue, Guelph Street, and Hall Road, to include Norval, and Georgetown South. And also the industrial area north of Guelph Street between Mountainview Road and Delrex Boulevard.

There may be some inconveniences to you during our operation, either when we are physically on your street, or even in your general area. Discoloured water is discharged during cleaning and to avoid having it enter your home/place of business please follow the steps noted below:

- Do not use water between the times indicated on your **BLUE LETTER**, which we will provide to you approximately 2 days prior to working on your street.
- When we are finished for the day on your street (times indicated in the **BLUE LETTER**) please turn on the cold water tap in your basement and let it run until the water is clear.

To keep informed of our progress, look for advertisements in this newspaper and look for our **BLUE LETTER** in your mailbox for the dates we'll be working on your street.

### Questions?

Please call the Planning & Public Works Department at ext. 7704, 7705, or 7706 and Regional staff will be available to answer your questions and assist you.

## Information About Yard Waste Collection

Effective September 2002, Halton Region phased out the collection of plastic yard waste bags as part of the yard waste collection program. Many communities in the GTA and across Canada have already implemented similar yard waste collection programs.

This change will help us improve the quality of the compost we are able to offer our residents, minimize plastic waste in the landfill and reduce costs. While plastic bags are relatively inexpensive and plentiful, they are costly to process and are not environmentally friendly.

We ask you to consider some alternatives to plastic yard waste bags:

**Open reusable containers (such as an open garbage can or bushel basket) with a yard waste label**

- Saves time because it is easier to fill
- Saves money by reducing the number of bags you use
- Saves the environment by reducing plastic waste

**Biodegradable paper yard waste bags**

- Sturdier than you might think, and will stand up through all kinds of weather
- Biodegradable and therefore will not contaminate the compost available to residents
- Easy to fill

**Backyard Composting**

- Leaves provide a rich component of carbon to the compost pile. A successful compost mix includes 75% carbon (brown material) and 25% nitrogen (green material)
