

# The Town of Halton Hills is the place to be...

## For **YOU** and your **BUSINESS.**

As your Mayor, and a lifelong resident, I am very proud of our town. Halton Hills contains the beautiful Niagara Escarpment known for the famous Bruce Trail, the Williams Mill Gallery and Creative Studio, The Olde Hide House, shopping in historic downtown Acton and Georgetown, wonderful restaurants, live theatre, senior centres, new arenas, and coming soon our Leisure Centre and sports fields. Our community has lots of activities for all ages to enjoy.

A strong community requires progressive Economic Development. Halton Hills has a tradition of industrial development and employment in both Georgetown and Acton. Many developments along the 401 corridor will ensue over the upcoming years once the service installation along Steeles Avenue is finalized. Economic Development in this area will create and sustain employment opportunities and a healthy business environment for the Town of Halton Hills.

You'll soon discover why I say, "Halton Hills is a great place to live, work, and raise a family."
