The Children's Miracle . . .
 \$1.94 million Miracle gift from **RE/MAX**

The Children's Miracle Network (CMN) is \$1.94 million richer, thanks to the record fund-raising efforts of **RE/MAX** real estate associates across Canada. The monies raised are used to treat illnesses, and support research into childhood diseases, education and prevention programs and specialized equipment. A large part of the annual donation comes from **RE/MAX's** Miracle Home Program, which sees a portion of a sales associate's commission given to the Children's Miracle Network. **All of the funds raised are used to help sick children in the community where the funds have originated.** "In Canada since 1992, **RE/MAX** sales associates have raised over \$12 million to help more than two million sick children who are treated at CMN-affiliated hospitals each year," says Lisa Galanano, CMN Coordinator for **RE/MAX** of Eastern Canada. "With **RE/MAX**, home is truly where the heart is."
