

Affordable and stylish bathroom makeover ideas in time for holiday guests

The holiday season is all about entertaining family and friends and often Canadians choose this time to give their home a quick and easy makeover. The décor team at Canadian Tire have some tips to help give the bathroom a whole new look, easily and affordably.

Accessorize, Accessorize, Accessorize
 • Simply changing a coat of paint or adding bathroom accessories can create a new look.

• Choose one style as many different styles will make the room look cluttered.

• Chrome wire bath accessories are a step up from traditional white and are easy to match.

• Mounted toothbrush/soap holders are being replaced with suction cup mounted accessories or table top sets for a modern look.

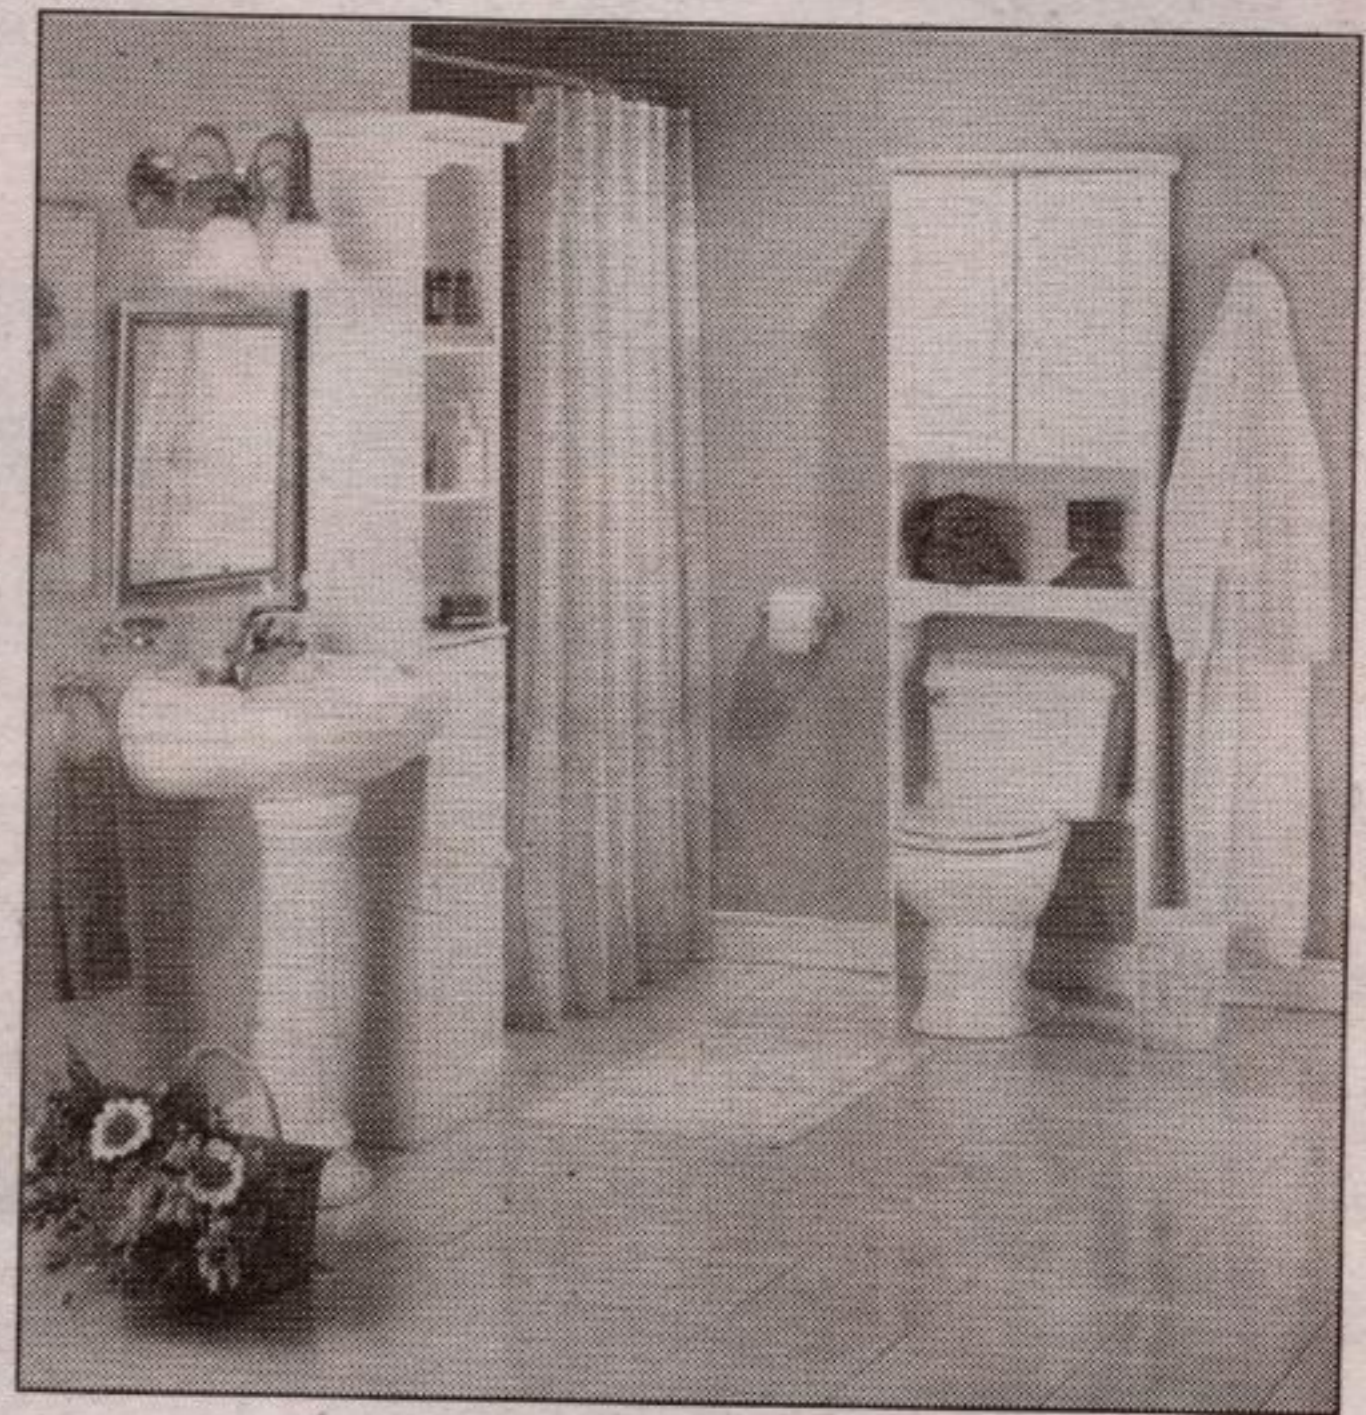

• Add colour by coordinating soft washable, floor mats with fabric shower curtains, towels and window coverings – dark fabrics make great accents to light walls and vice versa.

• Easier to clean, shower curtains are replacing shower doors. Add some decorative curtain hooks to complement the shower curtain and add that extra touch to the bathroom.

• A new lighting fixture, decorative mirror or a favourite print are quick and easy ways to update a look.

A Step Up

• Add a touch of elegance to your bathroom by changing the standard toilet and sink to a stylish decorative set such as an ornate Victorian with a fluted

column base and raised backsplash or the sleek Art Deco look with smooth, generous curves.

• Ensure faucets, light fixtures, cabinet knobs and mirror frames have the same metal finish.

• Chrome is the easiest finish to match, however, brushed nickel and brass accents will set the bathroom apart from others.

• Ensure toilets, sinks, and tubs are the same colour.

• White is the most popular colour as it's easier to add colour to the walls for a different look than to change large fixtures.

• Pedestal sinks accompanied by tower storage or frosted glass cabinets are very popular as they make the bathroom look more spacious and neat.
