Cousens says Grey Cup 'unforgettable'

Georgetown's Don Cousens enjoyed the Grey Cup from the best seat in the house.

Alright, Cousens never actually got to sit but actually being on the field for the Canadian Football League's championship game "was an experience I'll never forget."

Cousens was the line judge for the seven-member officiating crew for Sunday's game.

Cousens, a five-year CFL veteran, only had to make two calls, although the first one—a holding call—did wipe out an Edmonton touchdown in the first quarter.

Both officiating supervisors and new commissioner Tom Wright complimented the crew on their efforts.

"The atmosphere was electric. It was Canadiana at its best. I hope to do it again next year."

Early Years Challenge Fund Community Forums

The Provincial government's Early Years Challenge Fund is now accepting applications for funding for community projects that expand and enhance early years programs for parents and young children (birth-6 years). This is an exciting opportunity for our community to be creative and design innovative programs and activities that will serve the needs of local children and families. Through the Early Years Challenge Fund, the Provincial government will match contributions from the community, including those from local businesses and charitable and voluntary organizations, to help all of our parents give their children the best start in life.

Application deadline is: **January 15, 2003**

Attend one of the Information Forums listed below for information on:

- The Early Years initiative
- How to apply to the Challenge Fund
