

## Seat-belt charges soar

Halton Police laid nearly twice as many charges against people for not buckling up during their recent spring seat-belt campaign than they did last year when more vehicles were stopped.

During the recent campaign police stopped 19,995 vehicles across the region and laid 544 seat-belt charges. Police also issued 536 warnings. Last year, 21,542 vehicles were stopped, 289 charges were laid for seat-belt infractions, and 271 warnings were issued.

"While we have made great strides in getting people to buckle up, these numbers show the need to continue to create awareness through education and enforcement," said Halton Police Chief Ean Algar. "Increasing compliance of seat-belt usage can further reduce the risk of injury or death in a collision."

Those charged with not wearing a seat-belt face a \$110 fine, two demerit points and possibly increased insurance rates. Also, the health care costs are nearly twice as high for people injured in collisions while not wearing a seat-belt compared to those who do buckle up.

## Tax Man Took All Your Money?

You paid your tax bill and you're broke, but your kids still want to have fun this weekend. What do you do?

It's a problem that parents face all of the time - not enough money to keep your children entertained after paying the bills, buying groceries, and coming up with funds for unexpected costs.

Here is the perfect solution. It's fun, it's entertaining, it's lively, it has rides, and best of all, it's free, even the food. And if that's not enough, there are free prizes (DVD player, scooter, bike, microwave, etc). It's the Family Fun Fair! If you're good in the kitchen, enter the cake-baking contest and win a free microwave! Some of the attractions of the event include a Monster Slide, Bounce Castle, Bungee Run, Enormous Obstacle Course, Bike Rodeo, face painting, puppet shows, games, and music. The Family Fun Fair will definitely be a hit with the kids.

Everyone who attends has a chance at winning a scooter, mountain bike (with suspension), toys, DVD player, air hog helicopter, skateboard, easy bake oven, cotton candy maker, and more.
