

More than 200 items available in Monday's Kinsmen TV Auction

Spa packages, autographed sports jerseys and VIA Rail vouchers are just some of the items that will be on the auction block during the 19th Kinsmen TV Auction Monday, May 5.

More than 200 items will be up for bid in the auction, to be telecast on Cogeco Cable 14 from 6 to 10:30 p.m.

"It's been going very well," said Georgetown Kinsmen member Bryan Whitteker of the donations that have come in for the auction. "Most of the people are being very generous once again."

He said several have donated to the auction year after year, and some have been donating since the auction began.

He said this year Canadian Tire and Adamson Spa and Salon have been two of the auction's largest supporters.

As in the past, the auction items can be bid on prior to Monday by visiting the Web site at www.georgetownkinsmen.ca.

"There are probably bids on about half of the items right now," said Whitteker.

On Monday night items will be auctioned off in 45-minute blocks.

The auction is the Georgetown Kinsmen Club's major fund-raiser and last year raised approximately \$15,000.

Whitteker said they are hoping to bring in between \$15,000 and \$20,000 this year. Money raised will go to com-

munity projects, the Canadian Cystic Fibrosis Foundation, and to the local motion campaign. The club has made a \$75,000 commitment to that campaign over five years.

Items up for auction include several half-days at the spa valued at \$325 and a year at the spa valued at \$2,500 from Adamson Spa and Salon, a Galileo six-person spa valued at \$6,200 from Emerald Isle Bedroom Gallery, Norco Pinnacle Ladies Mountain bike valued at \$300 from Ollie's Cycle & Ski Ltd., and a threesome for golf and dinner at Devils' Pulpit valued at \$850 from P.W. Transportation Ltd.

Peel police laud pair

Two local residents were recognized by Peel Police Services Board for their contribution to the Toys for Tots campaign during the past five years.

Fred Harrison and Millie Adams were lauded for putting in countless hours organizing toy drives and raising more than \$40,000 in merchandise for Peel children through their participation with the program.

Adams and Harrison, who were presented with Peel Service Board awards, were also credited for organizing an annual food drive that benefits Peel Family Services.

TAKE CARE

When was the last time a cleaning process damaged a favourite shirt, suit or dress? Although the care label instructions were followed, the garment did not respond well to the manufacturer's recommended cleaning method. Luckily, there are steps that can be taken to avoid disasters during the cleaning process.

What Are Care Labels?

Care labels, the permanent label or tag that contains regular care information and instructions attached inside a garment, give the proper cleaning method for the garment. A garment cleaned by the method prescribed on a care label is expected to undergo the process with no problems.

Besides giving full instructions for at least one satisfactory method of care, a care label should warn about any part of the procedure that could harm the garment or others being laundered or cleaned at the same time.

Follow Care Label Instructions

To insure the best cleaning performance, always read and follow the care instructions. Use of a care method not specified on a care label may be risky. For further information about care labels, please contact Barrager's Cleaners.
