CARTER, Carole - Passed away May 6th, 1996. I recently spent some time with your daughter Christine, she's so much like you, thoughtful, caring of others, a true individual with a great sense of enjoying life. You would be so proud! I cherish all of our special memories and friendship. Miss you, Marilyn Worrall

COX, Jeanette - In loving memory of a dear wife, mother and grandmother who passed away May 4, 2002. You truly were an angel Sent from God in heaven above. Your shocking death just broke the hearts of everyone you loved.

A flame blown out in seconds, Confirming our worst fears- A light that shines no more on earth For which we shed many tears. We wish that you could be here, But in a way you are. The memories are still here, So we know you can't be far. It still is quite a shock to all That you had to go; But no one will forget you We love and miss you so.

Larry, Pamela, Gregory and Rylie.

COX, Jeanette Marie - In loving memory of our dear sister-in-law, aunt and great aunt who passed May 4th, 2002. Upright and just in all her ways, Loyal and true through all her days, Silently suffered, patiently bore, God took her home to suffer no more.

Sadly missed and always remembered by Sandra and Marshall Witherly and families.

In Memory of Jeanette Cox (May 4, 2002)

One year has now past Without our dear sister. Fond memories do last Though we truly miss her.

COX, Jeanette - May 4, 2002 Sunshine passes, Shadows fall, True remembrance outlasts all.

Dearly missed by your Independent & Free Press Family

PATERSON, Anne - In loving memory of a mom, sister and grandmother who passed away May 4, 2001.

You're with me everyday, but I'd give anything to hold you, if only I could have my way. This journey has been difficult, there's so much that I miss, your laughter, friendship, our long talks, but most of all, your hug and kiss. I never thought I could go on without you when you died, and I tried to understand my guilt as my pain began to ease inside. Yes, I'm learning to live without you, I know that you'd want me to try, I go to groups, and read my books, I take long walks, and cry. Then, I draw upon your love and feel your zest for life each day, and find it comforting, knowing, you'd want me to live my life that way. I know there'll never be a day where you're not close at heart, that I'd wish that things were different so we'd never be apart. For you truly were a gift to us and in my heart you'll stay; forever, until we're together again in the spirit world one day. Love you lots mom.

Forever in our thought & missing you muchly.

660 Cards of thanks

KOVACHIK - It really doesn't matter where you go in life.... what you do.... or how much you have.... it's who you have around you. We have been surrounded by so many wonderful people.... family, neighbours and friends, old and new. You have supported us, encouraged us, prayed for us and "been there" for us and for Tim over the past two years. A simple "thank you" seems so inadequate. We would like to thank everyone who attended Tim's Memorial Service. We were overwhelmed! The outpouring of affection was incredible.... flowers, plants, food, cards and offers of help. The many donations received for the VON and Georgetown Hospital are very much appreciated. We would also like to thank the staff at J.S. Jones and Son Funeral Home for the kind and professional way they helped us during a very difficult time. Thank you as well to Reverend Peter Barrow for his lovely service and to the ladies of Rebekah Lodge for the wonderful refreshments. Thank you is definitely not enough for the VON and Dr. Paul Zeni. We are so grateful for their help during the last three months of Tim's life. They were there whenever we needed them.... day or night, snow or sleet.... they were incredible. Count your blessings Georgetown!
