Grow. Learn.

Make friends. Have fun.

It can all happen. Join the club.

When you were a kid it was great to have a place to meet new friends and discover new horizons. It can be the same now. Join a Kinsmen, Kinette or Kin club and become part of a dynamic organization filled with people like you.

Help your community.

Kinsmen, Kinette and Kin clubs are the country's largest all Canadian service groups, made up of active community volunteers. Members work together to serve the community's greatest need by promoting service, fellowship, family values and national pride. They support Cystic Fibrosis research and fund local projects, like playgrounds and ice rinks, across the country. So, if you'd like to give something back to your community, the club is the perfect answer.

Develop personally.

It's very satisfying to be a member of the club. You'll be proud of the work you do for others and pleased with the personal benefits that result. You may become a better leader, or more of a team player. You'll find yourself more relaxed in dealing with groups; your presentation skills will improve and you'll become a better public speaker. Plus you'll have a chance to network with people from a wide variety of businesses.

Make life-long friendships.

Kinsmen, Kinette and Kin club members come from all walks of life, so you'll enjoy being part of a youthful and spirited group. And like most members, you'll make lifetime friendships that extend far beyond the club itself.

Have a whole lot of fun.

Although Kinsmen dates back more than 80 years, there's nothing old-fashioned about the meetings. They're lively, interesting and fun. Fundraising events get you into the community and they're always rewarding and entertaining. So join the club today, and brighten the horizon - for yourself and your community.
