# The Kinsmen Year

## Christmas Tree Sales

Since 1957 (the clubs inception) we have sold Christmas trees. This is our first major fund raiser for the Kin year. We sell between 600 and 700 trees earning between \$4,000 and \$5,000... Halton Hills Trailer graciously donates a trailer for the Kinsmen on shift.

## Hockey Heritage

Each year the local Hockey Heritage Council honours an individual in the Halton Hills area for their dedication to the betterment of hockey.

The Georgetown Kinsmen first got involved in this project in 1991 and it has been growing ever since. The Hockey Heritage dinner is held each year in mid February. Ron MacLean of Hockey Night in Canada has been our host.

The Dinner is attended by approximately 350 guests. Throughout the evening we auction off sports related items such as autographed hockey sticks and sweaters. We have had a variety of special guests and guest speakers.

## TV Auction

This is by far our biggest project and raises in excess of \$15,000.

First started in May 1985 and raising \$2,800, the TV auction has become a major fund raising project for the club as well as a community event. Over 200 items donated by local merchants are auctioned off in support of community projects.

The auction is broadcast on Halton Cable TV, our local community channel, on the first Monday in May. Bids are taken over the telephone in this live telecast.

## Fireworks Sales

Our fireworks sales project is run the week prior to the Victoria Day weekend. Maple Lodge Farms donates a tractor trailer. We raise approximately \$2,500 from this project.

## Kinsmen Girl's Softball

Kinsmen Girl's Softball has seen over 7,000

young ladies participate in summer ball since first being formed in 1964. Honorary Kinsmen Jim Ford has been the commissioner of the league since... it seems forever... and Kin Ramsay Barr is the league treasurer. We provide equipment, coaching and umpiring duties for the league.

## Fall Fair Kinsmen Girls Softball Playoffs

In past years the Kinsmen have been involved with Georgetown's annual Fall Fair in a variety of capacities like running one of the gates. We also run the Kinsmen Girls Softball Playoffs at the Fall Fair. We provide coaching and umpiring, plus we provide free hot dogs and pop for all the players and coaches.

## Day of Champs Soccer

Day of Champs Soccer Playoffs This is a new project for the club. We sell hot dogs and pop throughout the day in the spring and fall.

## The Seniors Tour of the Lights

For most years Georgetown Kinsmen have enjoyed, for the past 22 Christmas seasons, getting together with the seniors citizens of Georgetown and hosting a Tour of the Lights. The event annually sees between 150 and 185 seniors enjoy the company of the Kinsmen and their families on a bus tour of the Christmas lights in Halton Hills.

## Classics for Cancer

In the spring of 1988 the committee for the first show approached our club and asked us to run the gates for the car show. Annually since that time we control the gates and donate the proceeds from the collection to Cancer.

## Cystic Fibrosis

Having been closely touched by this disease the Kinsmen Club of Georgetown are very active in raising and donating funds to CF. CF is the national Kinsmen charity.
