

### Bye Bye Birdie: tickets are still available

Georgetown District High School production of the musical *Bye Bye Birdie* opens tonight (May 7) and continues until May 8, 9, 10 at 7:30 p.m. Music director Eleanor Wallace calls it a "fabulous show". Among those taking part are

(front, from left) Robyn Hyndman (Margie), Dustin Olinoski (Conrad Birdie), and Anna Burnett (Ursula). In back, Shanni Olinoski (Charity), Logan Gabel (Albert) and Jenn Allison (Rosie). Photo by Ted Brown

#### HHCSI needs

Calling all futons.....if anyone has a futon in good condition that they no longer need, HHCSI would be happy to provide it a new home at our Acton Office. Please call JoAnne at 905-873-6502.

#### Maintenance help for seniors

Seniors can receive help with lawn mowing, gardening, yard maintenance, seasonal housecleaning (yes even windows!), painting and home repairs by call-

ing the Home Maintenance Program. These services are provided by qualified individuals at an affordable cost. Call Terri (Acton), 519-853-3310, or Kim (Georgetown), 905-873-6502.

## Halton Region composter sale on Saturday

Halton Region's annual backyard composter sale will take place on Saturday, May 10, 8 a.m. to 4 p.m. at five locations across the region, including Halton Hills. Composters are available for \$15 including tax, partially subsidized by Halton Region.

"The response to last year's composter sale was overwhelming," said Halton Regional Chairman Joyce Savoline. "We will continue to encourage Halton residents' enthusiasm for reducing, reusing and recycling. By providing the right tools, together we can continue to be the GTA's leading community when it comes to waste diversion."

A backyard composter is a natural way to reduce waste and convert grass, leaves and kitchen scraps into rich, garden-friendly compost. Composting can take as little as 10 minutes a week, and can reduce the amount of waste a household sends to landfill by as much as a third.

Composters will be available locally for sale on Saturday at: Halton Hills Public Works Yard, 11618 Trafalgar Rd., Georgetown and the Milton Mall parking lot at Ontario St. and Main St., Milton. For more information, visit [www.region.halton.on.ca/ppw/waste](http://www.region.halton.on.ca/ppw/waste), or call 1-866-4HALTON.

## Tooth Chatter

### "HAD A FALLING OUT?"

If a tooth is lost it's important to replace it with an artificial one to prevent your other teeth from drifting out of line. These neighboring teeth can become more susceptible to decay and gum disease. Tooth misalignment can also cause jaw problems.

These are four main types of artificial teeth. Each is designed to solve a specific problem.

\*A removable partial denture

\*Complete or full dentures

\*Dental implants

\*A fixed partial denture or fixed bridge

Be sure to carefully consider which dental prosthesis is right for you. You do not need a referral; simply call our office direct.

Consultations are always free. If you have any questions regarding your dentures, give our office a call.
