

At 232 Guelph St. Student job centre open

Students looking for summer work should visit the recently opened Human Resource Centre of Canada for Students.

The centre, which opened Thursday at 232 Guelph St., helps both businesses and students with their summer employment needs.

The centre links youths and employers and provides youths with job postings, interview advice, resume and job search strategies. It also provides job posting and pre-screening services for employers. The services are free of charge.

The centre is open Monday to Friday 8:30 a.m. to 4 p.m. Employers interested in using the centre's services and students looking for summer employment should call the centre at 905-877-7797.
