NOTICE

NOTICE OF PUBLIC MEETING WARD 1/250-252 Queen Street, Acton Proposed Commercial Building

Town Council for the Town of Halton Hills will conduct a Public Meeting to examine and discuss proposed amendments to the Official Plan and Zoning By-law 1358, as amended. The applications relate to a parcel of land, approximately 1 hectare (2.48 ac) in size, identified as 250-252 Queen Street, Concession 8, West Half of Lot 22. The property is currently vacant land and is adjacent to the LCBO on Queen Street in Acton.

The proposed Local Official Plan Amendment maintains the designation of "Neighbourhood Commercial Area", however it would permit a drug store use.

The proposed Zoning By-Law Amendment would change the current zoning from "Holding Commercial-General Special (H-C1-1) Zone" to "Holding Commercial-General Special (H-C1-2) Zone" to permit among other things as a drug store use.

If you wish to be notified of the adoption of the proposed Official Plan Amendment and/or the Zoning By-Law Amendment and/or the decision of the Town of Halton Hills in respect of these applications, you must make a written request to the Town of Halton Hills at 1 Halton Hills Drive, Georgetown, Ontario, L7G 5G2.

If a person or public body that files a notice of appeal of a decision of the Town of Halton Hills in respect of the proposed Official Plan Amendment does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed Official Plan Amendment is adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

If a person or public body that files an appeal of a decision of the Town of Halton Hills in respect of the proposed Zoning By-Law does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed Zoning By-Law is adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

Further information is available in the Planning Department, Town of Halton Hills, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2.

Sisters to perform under the lights of Caesar's Palace in Las Vegas

Three Halton Hills sisters will be showing off their dancing talents in Las Vegas in July.

Kayla-Rae, 12, Kourtney, 14, and Kandace Russiani, 9, will be competing in the I Love Dance International Championship Convention (25th anniversary) at Caesar's Palace July 1 through July 10.

The girls earned their spots in the competition by winning at the I Love Dance event in Indiana in March.

At that competition Kourtney and Kayla-Rae placed second in their respective age categories for musical theatre and Kandace placed first.

Kourtney was also selected as a Junior Sweetheart.

"The Junior Sweethearts are comprised of the finest young dancers from throughout United States, Canada and Australia," said Kim McKimmie, international director of I Love Dance.

As a Junior Sweetheart, Kourtney will take master classes while in Vegas with world-renowned dance teachers. The Sweethearts will also perform individually throughout the week, and together for the finale production performances of the championships July 10.

"I was excited and happy," said Kourtney, of being picked a Junior Sweetheart.

The sisters also had a chance to dance together at the I Love Dance competition in Indiana in the production category when all the competitive students from the Ronda Copeland School of Dance in Milton, where they study, took to the stage together. In that category the group won first overall in the competition.

The three girls began dancing at an early age and currently study a variety of dance including hip-hop and musical theatre at the Milton school.

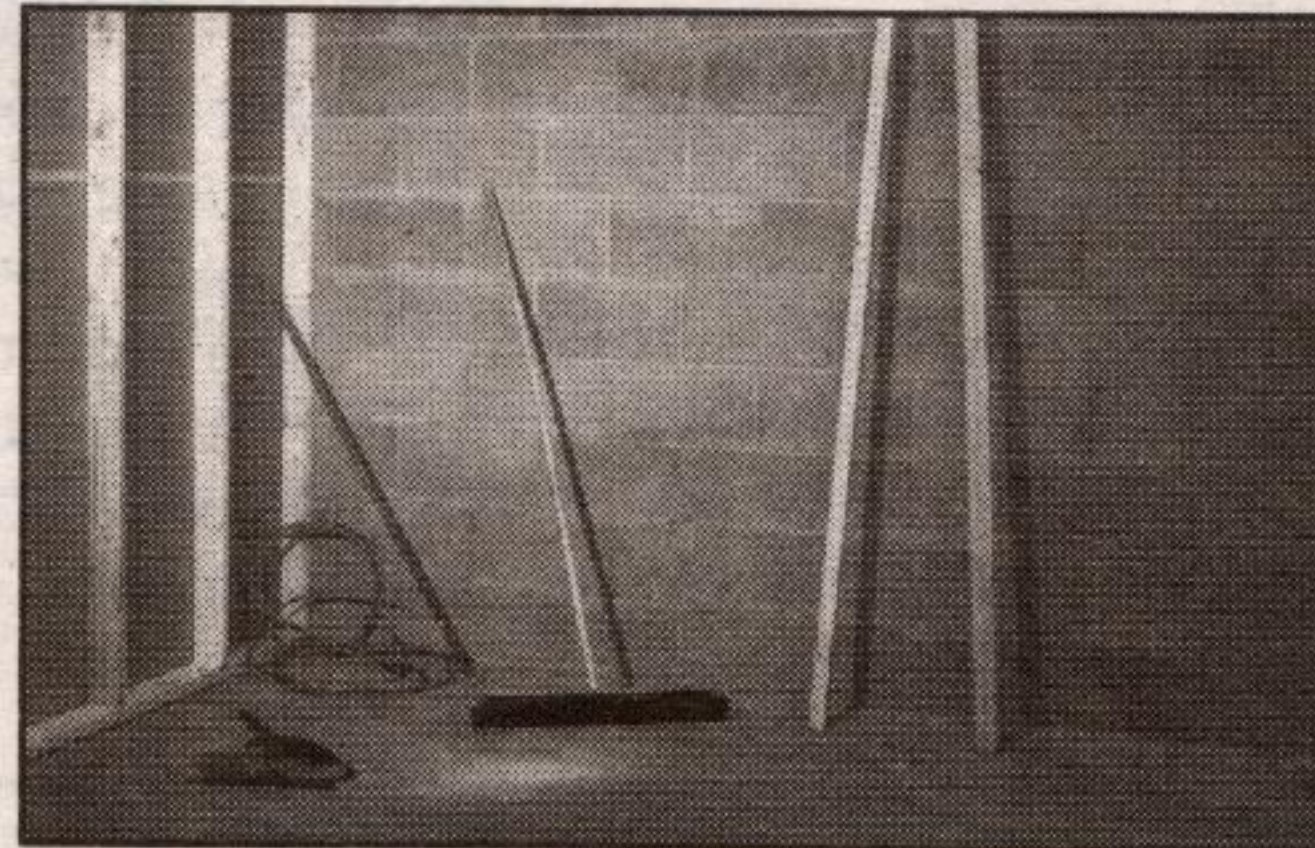

The Russiani sisters will be showcasing their dancing talents in Las Vegas. Kandace, left, Kourtney, right, and Kayla-Rae Russiani finished first or second in their respective divisions at the I Love Dance competition in Indiana.

They love all aspects of dancing and take dance classes at least four times a week.

The girls also model and act, having appeared in several commercials, fashion shows and as extras in movies and television shows. They all want to continue to pursue careers in acting, modeling and dance when they get older.

PROBLEM

SOLUTION

Install a basement bathroom without breaking the floor. (or the bank)

Saniplus works on its own 'above the floor' system - one that is tied to existing plumbing - anything's possible with Saniplus.

Whereas conventional plumbing places limitations on where you can place a toilet or bathroom, with Saniplus the only limitation is your imagination.

Just think. No walls to tear down. No floors to rip up. The small 3/4" discharge pipe let you decide where your bathroom should go, not where the sewage line forces you to place it, and you can easily install it yourself.

Saniplus offers complete freedom to place a bathroom where it's needed and is most convenient - anywhere in your house.
