## Scutt finds the mark for spot on Ont. team

**C**hris Scutt has his sights set on a spot on the Canadian team and judging by his performance at the provincial championships, he usually gets what he aims for.

Scutt, of Georgetown, earned a spot on the Ontario darts team that will compete at the nationals in New Brunswick June 2-7.

Scutt made it through two round robin rounds before finally being eliminated in the head-to-head rounds. Scutt had the misfortune of running into John Part of Oshawa, the world's number one-ranked player, in the quarterfinals. But he still earned one of eight spots on the Ontario team.

Scutt finished second in the first round-robin, in which the top four advanced. He then won his division in the second round-robin, in which only the top two moved on.

"You prefer not to meet him but it's always good to play against him," Scutt said.

In preparation for the nationals, Scutt intends to do much practicing as well as continuing to play in the local Monday night dart league. He will also be competing in a tournament in Saskatchewan in May.
