Painting on the bloom

Artist Ruth Boissoin worked on a piece during the spring open house at the Williams Mill Creative Arts Studio & Gallery in Glen Williams. This year the theme was Garden Fantasy and the more than 30 artists and artisans turned their studios into a rainbow of hues, while Sheridan Nurseries helped in supplying plant material to make the Mill a symphony of colour. Rusty Ephemeris on the Celtic harp provided music.

The "Learn About" at Canoe Country has been cancelled for this weekend. The Topic: Protecting Yourself against West Nile Virus and Lyme Disease. We do have protective gear and lotions in stock. The Original Bugshirt is one of the best on the market. \$59.95. We have jackets made out of Nosecum netting for \$19.95 as well as natural alternatives to chemical Deet insect repellents. Druide Citronella products are excellent and Burt's Bees Lemongrass is mild enough for a baby. More information on West Nile can be found at www.region.halton.on.ca/health/programs/infectionctrl/West_Nile/default.htm or call 1-866-442-5866. So, "this is what 50 looks like." Thank you to all my friends and family and to Sloan from the Fire Department for a fabulous party!
