

Hot dog! Fund-raiser's a winner

Customer Karl Groskopf (second from right) had a lot of help dressing his hot dog during the annual M&M Meats Charity BBQ Day held in support of the Crohn's and Colitis Foundation of Canada recently. Helping out were, from left, Alyson Gough, Kevin McVicar and Sarah Coulson, CCFC treasurer for Halton Region. The Georgetown shop raised \$2,800 while the Acton store netted \$1,646. Across Canada more than \$1.2 million was raised.

School board invites public to discuss funding

The Halton District School Board will be holding a public meeting on Wednesday, May 28 to share information and gather community input on funding issues for the 2003-04 budget. The meeting will be held at E.C. Drury High School in Milton (215 Ontario Street) beginning at 7 p.m.

"I can't stress enough how important it is

for members of the public to attend this meeting," said board chair Ethel Gardiner. "The decisions we make at this time of year, during the development of the budget, have direct implications on students in classrooms. This is an excellent opportunity for the public to ask questions about educational resources and funding now as we're preparing the budget."
