TOWN OF

HALTON HILLS
 Working Together Working for You!

NOTICE OF PROPOSED STREET NAME CHANGES

Due to concerns with the 9-1-1 Emergency Response Service, Bell Canada has informed the Town of Halton Hills that it must take steps to eliminate duplicate addresses in our municipality. These duplicate addresses were created when Acton, Georgetown and Esqueving Township were amalgamated into the Town of Halton Hills in 1974. Changing technology, such as the use of cell phones and telephone number portability has resulted in a need for distinct municipal addresses.

The Town of Halton Hills is currently investigating the proposed re-naming of the following streets to eliminate duplicated addresses in Halton Hills:

| | |
|--------------------------|-----------------------|
| Park Avenue, Acton | Mary Street, Norval |
| Main Street North, Acton | Arthur Street, Norval |
| Main Street South, Acton | George Street, Acton |

Background reports regarding this matter can be obtained at the Acton Branch of the Halton Hills Public Library or the Civic Centre (Clerk's Office). You may also access information on the Town of Halton Hills' web site at www.haltonhills.ca. Click on Happenings, News Events and select Street Renaming Project.

Public input and consultation is an important part of this review. Your questions or comments can be directed to the Clerk's Department (905) 873-2601, ext. 2278, or by e-mail to streetname@town.haltonhills.on.ca. 72
