

# Summer Safety Blitz set for June 7

Mark June 7 on your calendars—with red ink. The second annual Summer Safety Blitz is taking place at the Acton Firehall from 10 a.m.-2 p.m.

This free event is being presented by the Halton Hills Risk Watch Coalition, which is made up of members of the Halton Regional Police, Halton Hills Fire Department, Halton Region Emergency Medical Services, the Halton Catholic District School Board, Halton Region Health Department, Co-operators Insurance, Halton Hills Injury Prevention Committee, Prosperity One Credit Union, and Silvercreek Service Centre.

Risk Watch is dedicated to reducing preventable injuries.

The Summer Safety Blitz is going to be a fun event that will educate you and your children. There will be displays of emergency equipment and vehicles, burn prevention, a bike rodeo (bring your bikes and helmets), a bicycle helmet clinic, poisoning prevention, water safety, and a car seat clinic. There is a barbecue, which is sponsored by Ray Johnson & Associates Inc. There will be cotton candy and balloons. Did I mention that this is all free?

All in all it will be a fun time. Come and say "Hi". I will be inspecting car seats. If you would like to have your child's car seat inspected, phone me and make a reservation. I heard that over the

Victoria Day weekend the OPP inspected over 100 car seats, and not one was installed correctly! Here is a riddle for you. What do you get if you cross a kangaroo with an elephant? You will have to come to the Summer Safety Blitz to get the answer!

## Princess Anne Dr. residents raise concerns about traffic

Councillor John Day enquired at a recent council meeting about the status of the Bennett Health Care Centre's application to build housing on Princess Anne Dr.

Day said he has received a number of calls and letters from Charles St. Residents concerned about additional traffic being generated.

Town planning director Bruce MacLean said his staff has also received a number of calls and letters, and the staff report, with recommendations on the project, is expected to be placed on an August council agenda.
