Only **\$68.⁸⁸*** (Available for most Honda models)
* taxes & environmental charges extra

To ensure peak performance this spring, begin with a comprehensive multi-point inspection, plus a Genuine Honda oil and filter change.

- ✓ Oil & filter change & check for fluid leaks
- ✓ Battery load/charging test
- ✓ Inspect coolant level and boiling point
- ✓ Pressure test cooling system, inspect related hoses and clamps
- ✓ Inspect all brakes for wear % and condition
- ✓ Inspect brake calipers, wheel cylinders and parking brake
- ✓ Inspect tire wear and pressure
- ✓ Tire rotation
- ✓ Inspect transmission fluid level, power steering fluid level (if applicable), brake fluid level, clutch fluid level (if applicable)
- ✓ Inspect drive belt (excludes timing belt)
- ✓ Inspect distributor cap, rotor (if applicable) and wires
- ✓ Inspect windshield wipers, washer jets and blades
- ✓ Washer fluid top-up
- ✓ Inspect exhaust system
- ✓ Inspect springs and shock absorbers
- ✓ Inspect all lights and bulbs
- ✓ Inspect and lubricate door locks, latches and handles

Limited time offer expires July 31, 2003

SERVICE SPECIAL

TRANSMISSION SERVICE

We will replace your transmission fluid with manufacturers recommended fluid. We will road test your vehicle to ensure proper shift points and operation. Transmission fluid should be replaced every 48,000 km. Services includes up to 5 L of Honda ATF or MTF.

\$59.⁸⁸

Environmental levies and taxes extra - Offer expires July 31/03

Did you know...each time your washer fluid reservoir is filled up, it is suggested to wipe the wiper blade rubbers with a clean cloth and some washer fluid to clean and condition them. This removes road grime and helps increase their effectiveness. Wipers should be replaced yearly.

WOW - Wiper Blade Inserts \$4.99 each

SERVICE TIP

Timing belts have a nasty habit of breaking unexpectedly. Heat and friction weaken the cords that reinforce the belt, and the risk of failure goes up sharply after about 100,000 km.

A timing belt failure can be disastrous for an engine. What could have been a fairly inexpensive replacement now becomes a very major repair expense. At the very least, the cylinder head will have to be replaced. If the head has additional damage you could be looking at replacement. If an open valve

takes out a piston you are looking at an engine overhaul or a new engine. Please don't take any chances.

Don't open your hood to strangers.

Tire Specials - Michelin, Bridgestone, Yokohama. Call for details
