

### On-the-job training

Local University of Guelph student Kevin Bauer, (kneeling) of Student Works Painting, recently donated his services to Georgetown Alliance Church nursery as he used the opportunity to train his new employees like Jamie Tawil of Georgetown. In addition to Bauer donating the labour, Bergsma's Paint & Wallpaper donated the paint to the cause. This marks the second year Bauer has run the Student Works Painting franchise, after being named Rookie of the Year last year for his outstanding service.
