515 Skilled & Technical Help

HELPING MAKE PRODUCTS BETTER™

BASF Canada, a member of one of the world's largest chemical groups and leading distributor of Animal Nutrition products has an immediate opening in our Georgetown manufacturing site for a:

Maintenance Co-ordinator

This position requires a minimum of Highschool with 3-5 years maintenance experience in a manufacturing environment. General knowledge of the trades (instrumentation, electrical, millwrighting, pipefitting etc.) is a requirement. You will be responsible for the administration and implementation of preventative maintenance activities for all production equipment and site property within the guidelines of the safety standards. Co-ordination of: contractors, parts inventory, small capital projects, cost tracking and hands-on repair are essential. Computer applications (Excel, Word, email and maintenance tracking systems) and communication skills will serve you well in this challenging position.

To the successful candidate, BASF can provide excellent benefits with a competitive wage, training and career opportunity. If you can meet the challenge, this is an excellent opportunity to contribute your skills to our future growth. Please forward your resume in confidence to: **Rita Rosato, Human Resources Manager, 345 Carlingview Drive, Toronto, Ontario, M9W 6N9, Email: rosato@basf.com, Fax: 416674-2782**
