Trans Am stolen from garage

Halton Police report a 1987 Trans Am valued at \$3,000 was stolen from a 22 Sideroad home sometime last Tuesday during a break and enter. The garage door had been pried open.

Halton tire amnesty continues

As part of Halton Region's commitment to battling West Nile virus, the tire amnesty at the waste management site in Milton has been extended for several more weeks.

Area residents can now discard up to eight passenger vehicle tires until September 30 free of charge at the Halton Waste Management Site on Hwy. 25.

Old tires can collect rainwater, providing a breeding ground for mosquitoes and Halton Region provides the tire recycling service to divert tires from disposal and as its contribution to the fight against West Nile Virus.

Residents can drop off the tires at the Waste Management Site between 8 a.m. and 4:30 p.m. Monday to Saturday.

- Commercial vehicle, truck and tractor tires cannot be accepted.
- Tires are not accepted as part of Halton Region's regular or bulk waste collection.
- All tires collected will be sent to a recycling company that finds secondary uses for tires.

For more information about the tire amnesty or any other services at the Waste Management Site call 1-866-4HALTON or visit www.region.halton.on.ca.

Timbits Soccer.
Where smiles are as wide
as goalposts.

It was a season filled with new experiences, new friends, and big smiles for everyone. This year, all the young kids in Timbits Soccer got their first kick at team fun. They learned teamwork, gained confidence, and most importantly, had a great time on the field. Thanks to all the coaches, volunteers, and everyone who helped make this another fun season for the Timbits in Georgetown & Acton.
