"You make the difference, the community makes the difference," said Serjeantson.

Other fund-raisers have been planned to help the United Way meet its goal. A historical walk-a-thon in Acton and Georgetown is set for October 19 from noon to 3 p.m.

Participants will be able to raise money for a good cause and learn about the history of their community at the same time.

Another fund-raiser is the Christmas House Tour set for Saturday, November 22. Local decorators and florists will decorate six houses throughout the community for the Christmas season.

To register for the events, and volunteers interested in helping out with the corporate campaign or sitting on the citizen review panel that decides how much money to designate to agencies, should call the United Way office at 905-877-3066.
