

# Blooms handed out next week

Hello everyone, I hope you have been well and have enjoyed the summer. It was an amazing time for me as a provincial judge with Communities in Bloom (CIB) I had the immense pleasure of being in Brockville, Innisfil, Bradford/West Gwillinbury. Talk about a lot to see and learn in a short period of time. It was fabulous and I learned many great tools to help us all in future competitions.

I would also like to take this opportunity to thank all the people who were involved in so many ways in the Halton Hills National Competition this year. Your tireless efforts pay off in more ways than nice flowers. The town looks better and we all have a chance to brag about what we do best—being a great place to live.

The National Award Ceremonies for Communities in Bloom, in which Halton Hills is entered, is being held in Stratford, Sept. 23-27. We have several members able to go this year as it is close to home. No matter what our standings are, I still firmly believe we are already winners just by trying our best, let's keep our fingers crossed until then okay?

We would also like to tell you to come out Saturday, Oct. 4 for a Fall Clean Up Day. This was a huge success last April—let's do it again.

You never know what you will find; just ask Terry LaFond, she caught the biggest fish—that's right fish! Some heron or raccoon dumped a big, beautiful Koi in the field by Christ the King high school. Now that's a fish story to tell them at supper. Keep the day open—get some friends out—it's always nice to get out in the fresh fall air for a few hours for a good cause.

Talking about good causes, last year we went to the National Awards ceremonies in Kelowna, B.C. We know the terrible devastation that beautiful city has suffered with the fires that are ongoing this year. In a show of support CIB provincially and nationally are rallying to help our sister city. The Scotia Bank is accepting donations across Canada in conjunction with CIB—any amount over \$10 can be donated for this very worthy cause. If you or any organization would like to offer assistance in any way please contact myself.
